Objective

I'm Mohamed, a passionate front-end developer with expertise in HTML, CSS, and JavaScript, along with modern frameworks like React and Next.js. I focus on creating responsive and user-friendly web applications that deliver seamless experiences. I'm eager to leverage my skills to build innovative solutions and contribute to impactful projects.

Experience

Front-End developer Intern | Slash-Hub (2024)

Worked on a complex dashboard with multiple functions, integrating data from APIs. Built a platform site for the company, ensuring seamless performance and user experience. Slash-Hub

Front-End developer Intern | Creativo (2022)

Worked on developing responsive user interfaces and optimizing web applications for better performance. I collaborated with the team to enhance user experience and implement best practices in front-end development.
